About Me

My sister has acquired her MBA in Operations Management from the Indira Gandhi National Open University and BSc in Computer Science from St. Francis College for Women, Hyderabad. Presently, she is employed as an Assistant Manager with Deloitte in Hyderabad. She is an understanding and matured individual with a pleasing personality. Disciplined in her ways, she likes to lead a responsible and honest life. She is a warm-hearted individual who truly cares about the happiness of her loved ones. Even though her job can be demanding at times, she strives to maintain a healthy work-life balance. A sports enthusiast, she likes taking long walks and has a penchant for travelling and exploring new places. We are a loving and close-knit family. Our father is retired, and our mother is a wonderful homemaker. Vijaya shares a close bond with our mother. I am her elder brother; I am happily married, and I am working at Bank of America as a Manager. Our younger sister has completed her graduation. Our parents are Roman Catholics, while I, my younger sister and Vijaya are born-again believers and attend New Life Assembly of God Church. We would prefer a well-settled groom, belonging to the born-again community. Thank you for your valuable time. If you wish to know more, you are highly welcome to connect with us.
