About Me

God is Faithful. We are from Hindu background. That point where we as family lost everything my mum decided to commit suicide. She tried all goods but there is void in her and that night she decided to commit suicide and my brother who used to go Sunday school with his friends gave bible to my mum and told "As you have tried every GOD why not this".. My mum took bible she opened randomly it was psalms 69 chapter God spoke to her with psalms 69:20 from there we could see a lot of peace in her face and she is happy in midst of lot of troubles. Then my mother took me along with her to church. I was told about Gospel and I was seeking repentance for all my Sins God spoke to me through Isaiah 44:22 which is life turning point for me to get into more spiritual being. I could strongly say the reason for our family to be alive today is because of GOD. My sister and Dad were still praying to Idols GODs and we three were praying Jesus In same house. One fine day we are listening to Joy Cherian amma garu sermon in with title "Job's Wife" God transformed and touched dad. It's impossible for us to believe who is stubborn and religious specific could change by listen to audio message. This clearly shows God can do wonders. My sister seeing everyone took time and try to find what is true and she accepted Jesus Christ as Lord & Saviour. Now entire family accepted Jesus Christ as lord n saviour and with our help few of our relatives got to know about God. Looking for person who is believer & follows christ in everyday life. Prayerful, Hardworking, one who can build family as christ as head of house.
