About Me

I was born and raised in a Hindu family, i feared God as a kid. I went to missionary school so i admired Jesus also. I joined JNTU for my graduation, they have bible cell groups in hostel so few seniors invited us and .y roommate being. Christian she used to go so i tagged along once in a while. In one study one siater spoke about God in a very different way i never heard and finally she introduced Jesus. I never heard of this jesus she spoke. Since then i attended all bible studies and camps and got a Bible and faithfully started doing my quiet times(as taught). When i was studying Mat 24,i was confronted of all my sins and i repented and fell in Love with this God. I grew up spiritually through UESI, when my family rejected prople in UESI envouraged to stand for the lord,I currently i involve among students of HCU(Hyderabad central university). Expectation From Partner : He should Love the lord personally and lead the family in Lords ways. He should have the passion for the Lord. Big or small he should stand for the Lord. As a family i want to server the Lord be it be with finances, being a open home, taking care of people , anything big or small.
