Professional

About Me

I was born and brought up in a middle class Hindu Family. Being a monothiest since childhood, I have learnt about Christ during my school days and started observing the difference between the doctrines in several religions. Baptized in 2013, have been growing in Christ ever since and actively taking part in Church ministry. Looking for a companion who would be by my side in every aspect to serve together as His children and be a lamppost for families to bring to Christ

Personal
