Bachelor of Technology -  
B.Tech., Software Professional

## About Me

---

My life started when I invited God in my life in 2015. Till then I was leading traditional Christian life. Though I was baptized as a process of getting confirmation, but God started working in me after I was baptized in 2015. The verse which helped me to realize that I was living under sin and need to seek God for redemption is Romans 3:10 "No one is Righteous, not even one". Till then I was leading life considering that I am righteous person as people around me felt that way. God slowly started speaking to me through his word and revealed my sinful nature. As days passed, I continued praying to God asking to forgive my sins and to accept me as his child. God worked in gracious way and accepted me. He promised to work in my life through verse Isaiah 41:10 "Fear not; for I am with you. Do not be dismayed; for I am your God. I will strengthen you, I will help you and will uphold you with my right hand of righteousness". My faithful and gracious God has been fulfilling His promises in my education and profession. He has been strengthening me during the times of trouble and protecting me in amazing ways. He has been shaping me during my treatment for Vitiligo and drawing me closer to Himself. He is my driving force who transformed me to who I am today (His child). I hope that me and my future life partner will serve the Lord better together as employees. While I prefer my future life partner to be an IT professional, I am open for what God has in store for me. I believe that God will lead me to the person He has planned for me and make each other a blessing like He has been abundantly blessing me till now.

## Personal

---

|                 |                       |
|-----------------|-----------------------|
| Age             | : 29                  |
