### About Me

---

My daughter is blessed to know the living GOD-though born into a brahmin family and all the extended family members are in idol worship, she has been taught, driven and guided to...realize that all that idols are hand made having NO life as all those other Hindu gods came to punish but NOT to save those at fault or sinners..and never gave their life. Thereby realised how a sovereign living God may be given a form or shape by a mere mortal human. Hence on experencing the Love of Lord she was later baptised in schooling..
