### About Me

---

Greetings in Christ. I am born and brought in a Christian family. I have known Christ all my entire life and the teaching which I learned in Sunday School, by attending VBS, youth meetings, Bible Study, etc. through my father who is also an Evangelist. He has always encouraged and imbibed the Christian faith and values since I was small. However, since I moved to Canada I have found myself more closer to Christ and actually experienced His eternal love in my life. So now I know Jesus Christ as my personal Saviour more closely and not because of the teachings i had, but because of my personal experience. I would want my partner to be loving God the most then eventually all things should fall into place. Although he should be loving, caring, understanding. Preferably someone settled in Canada. Rest can be discussed if we get to speak.
