About Me

I am a single child. I am best described as an introverted and curious person. I came to know God in 2010. I have been attending full gospel, non-denominational churches. I believe in a word-based understanding of God. For me, God, His ministry, and my family define most of my interests and priorities. For me, marriage is a ministry to God, and I also desire and pray that my marriage and future family will play a vital role in His ministry. My family is well-educated, government lecturers. My dad is a born-again believer, my mom is from a Hindu background, not born-again yet, but doesn't practice Hindu rituals.
